The night before heading to Boston,
Pigletté and BoBo hang out with
Curt, Richard, and Steve.

They start the afternoon at the
Columbia Winery in Woodinville,
Washington.

The Redhook Brewery is in the background, and Pigletté and BOBO are in the foreground. Can you see them?

There they are.
Hiding in the bushes.
Silly boys!

Next stop is the Chateau St. Michelle Winery — just across the road from the Columbia Winery.

Château St. Michelle has peacocks
— after seeing the duck in Hawaii,
the boys are too scared.

Piglette and BoBo have a
Manhattan while waiting
for their dinner.

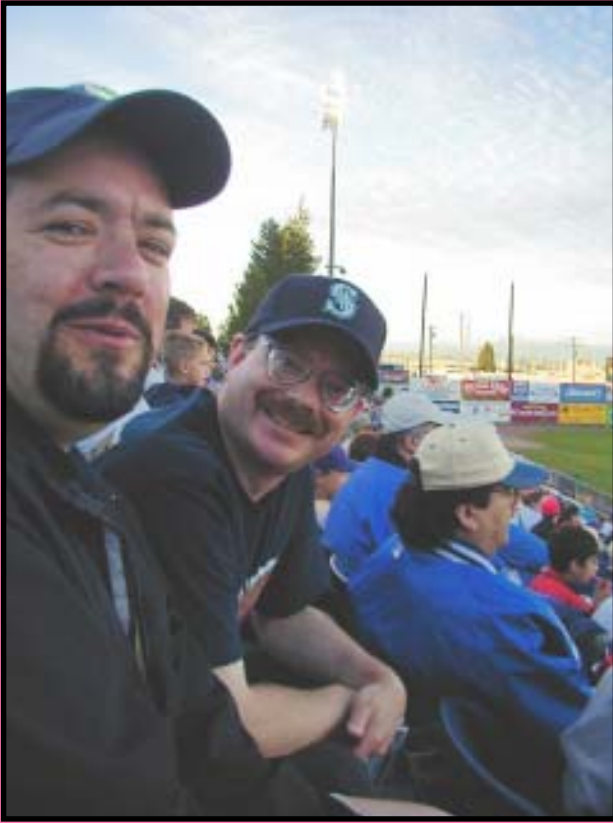

Councilman Ravola joins us for dinner
before the baseball game. The
AguaSox are playing the Dustdevils.

Pigletté and BoBo have great seats
at the stadium. They are watching a
Mariners minor league team.

Doesn't UncleMarkie look great in his
Agúasox jersey? Doesn't everyone
look comfortable?

Everyone is having fun at the game
— no wonder baseball is the
American Pastime.

But all too soon, Pigletté and BoBo
are in Boston visiting friends.

This is Joel.

Rigletté and BoBo stumble across
Joel's son, Max. They promptly pass
out. It must be jet-lag.

Max tries to put Uncle Markie's hat on
BoBo. It may be a little too large
even for BoBo's head.

Actually the hat seems to fit Max
better. It seems Pigletté likes
BoBo's hat as well!

Hey look — Netta and Leah have
taken a liking to
Pigletté and BoBo.

Even Max and the weiner dog get into the picture. How long before the dog goes poo on the carpet?

Next stop — Cape Cod.
Pigletté and BOBO lounge by the
pool with Mr. Pucci.

Mark's friend Dave has a lovely house
on the water.

Pigletté and BoBo like the pool.

And this is Dave — out fishing off
Cape Cod for striped bass. My what
a big fish Dave caught.

The fish are almost jumping onto the boat. This fish measured 27 inches — too small to keep.

Unfortunately, Mark and Dave had to gaff one of the fish to get it on board.

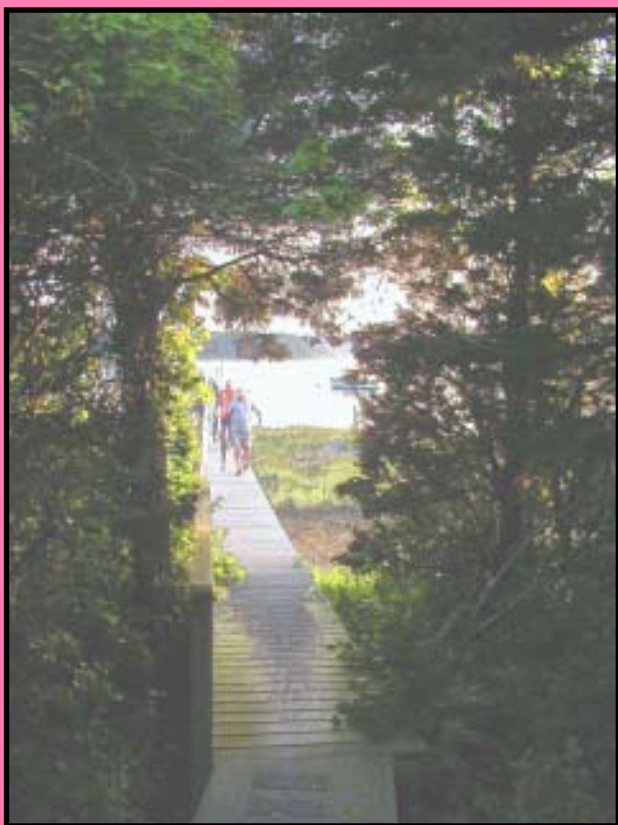

This one is a keeper at 34 inches.

At the end of the day,
Dave takes a break to pose with
Pigletté and BoBo.

Time to head back into port so we can
start cleaning and eating those lovely
fish. Hungry yet?

It's a lovely walk from the dock back to the house. Can you see the boat in the background?

Next stop is at Belinda's house. My
what a big bottle of wine the boys are
sitting on. Dinner time!

The next day we all head for the beach. It is the Fourth of July! Time for sand and sun.

Mr. Pucci tries to get the boys to
drink beer, but it isn't even noon yet!

It's just not proper.

The boys have a great view of the water — there are even people surfing and kayaking today.

Later, we all head to the
BeachComber for CapeCod'ers and
some snacks.

Oh goody! Pucci brought back a couple of dozen Wellfleet oysters from the the Raw Bar. Yummy!

And that was the last adventure for
the boys on this trip —
early in the morning it was time to
board the plane home.
